Current Responsibility

Leena Laloo is a principal and senior healthcare management consultant with the New Delhi office of Milliman. She joined the firm in 2007.

Professional Work Experience

Leena is a medical doctor with over 21 years of experience in clinical practice and clinical tool development. She has advised clients in a variety of areas, including claims management, clinical data analytics, and evidence-based clinical tools.

Currently, she leads the development of the MedInsight Health Waste Calculator tool, the CCHG Grouper, and Evidence-Based Measures.

Leena has been involved in various consulting assignments in the field of claims audits and clinical data analytics for clients in India, Hong Kong, Malaysia, the United Kingdom, and the United States. She has been involved in developing clinical groupers and other evidence-based clinical content.

Prior to joining Milliman, she gained eight years of multi-specialty clinical experience as a resident doctor in CCU, anesthesia, ICU, trauma, and pediatrics.
