rohit.malhotra@milliman.com

9899121162

Current Responsibility

Rohit Malhotra is head of projects in Milliman's Life Insurance Consulting Practice in India and is based in New Delhi. He joined the firm in January 2020.

Professional Work Experience

Rohit has over 15 years of experience. He serves clients across the globe, focusing on Asia, the EMEA, and the US.

At Milliman, Rohit has been involved in delivering a wide range of projects, including:

- Implementing IFRS 17 FIS Prophet for clients in Vietnam and Indonesia
- Performing quarterly statutory reporting and Prophet model maintenance for a client in Singapore
- Conducting profit-testing for a unit-linked whole of life product for a Dubai-based client
- Integrating new products in Prophet for a client in Singapore
- Enhancing Prophet code to allow rebasing of the statutory reserves for calculation of reduced paid-up experience for a client in Mumbai
- Reviewing embedded value models for clients in Hong Kong and Thailand
- Building reinsurance functionality in an existing Prophet model for a Vietnam-based client
- Conducting Prophet training for multiple clients, including basic and advanced level functionalities and client-specific model requirements

Professional Designations

Associate member of the Institute and Faculty of Actuaries, UK

Education

Bachelor of Arts in Mathematics from University of Delhi, India
