

Susan Melmed

FASSA
Consulting Actuary

OVERVIEW

Susan Melmed is a consultant focusing on life insurance, asset-liability management, market and operational risk management, and financial reporting.

EXPERIENCE

Susan started her career in 2007 and has gained experience in the life insurance and investment industry.

Her technical expertise includes:

- Insurance financial reporting (IFRS, FSV, EV and SAM)
- Head of Actuarial Function services
- Audit support
- Enterprise risk management
- Balance sheet management
- Independent model validations

Prior to joining Milliman in 2018, Susan worked in KPMG's actuarial team as well as the Balance Sheet Management team of a large local insurer.

PROFESSIONAL DESIGNATIONS

Fellow, Actuarial Society of South Africa (ASSA)

EDUCATION

Bsc (Hons) Actuarial Science, University of Cape Town
