Current Responsibility

Mike Paczolt is a principal in the Chicago Property & Casualty Practice of Milliman. He joined the firm in 2007.

Professional Work Experience

Mike manages Milliman Nodal®, a comprehensive property, and casualty claim analytics platform that uses AI to identify claims for early intervention to manage and reduce claim costs optimally.

Mike also practices as an actuary for insurers, captives, self-insured/large-deductible programs, pools, MGAs, and start-up ventures. Mike's expertise is in property and casualty insurance, including workers' compensation, professional liability, general liability, auto liability, products liability, warranties, extended warranties and service contracts, and other unique risks.
